

ASIA-PACIFIC
SPATIAL EXCELLENCE AWARDS
— AUSTRALIAN CAPITAL TERRITORY —

Special Achievement Award

Winner: Brittany Dahl

Brittany has passion for projects that build a meaningful, sustainable and spatially-enabled future. This has seen Brittany become a regular contributor to the SSSI ACT Geospatial Education Program since 2015. She has assisted with multiple Careers Expo events and continues to assist with various geospatial activities. Brittany applies her strong social ethic as a 'Thought for Food' ambassador applying GIS to change agriculture.

1. Brittany has become a regular contributor to the Survey and Spatial Sciences Institution ACT Geospatial Education Program since 2015. She has assisted with multiple Careers Expo events and continues to assist with various geospatial activities
2. At ESRI Australia I've also helped to set up an internal group called the Young Professionals Network, to encourage collaboration between employees.
3. Brittany has been part of the organising group for the ACT Region 2018 Survey and Spatial Sciences Institution conference and a welcome volunteer during this conference.
